

## **Clerk's Notice**

Effective July 15, 2007, all proposed orders submitted to the U. S. Bankruptcy Court, Northern District of Ohio, for Judge Pat Morgenstern-Clarren must be submitted electronically using the Electronic Case Filing E-Orders module. Orders presented before that date should be submitted using the existing protocol of e-mailing orders to Judge Morgenstern-Clarren's e-mail order box.

This change is being made so that all proposed orders submitted on Cleveland cases will follow the same protocol regardless of the judge assigned to the case.

The court does not require practitioners to have any additional training in connection with this change. However, if such training would be useful to any practitioner or support personnel, contact Josiah Sell, Supervisor, at 216.615.4333. Instructions pursuant to E-Order submission can be obtained in the ECF Attorney Manual located on the Court's website under Electronic Case Filing.
