

NOTICE

Effective August 28, 2005, all CM/ECF users making fee payments by Internet credit card through Pay.gov must use Internet Explorer 5.5 or higher as their browser. This is the ONLY browser supported by the most recent Treasury Department Pay.gov software version 3.2 which is scheduled to be deployed on August 28, 2005.

Previous versions of Pay.gov worked with Netscape 4.7. However, recent testing of version 3.2 has confirmed that this will no longer be the situation. Therefore, you are encouraged to acquire and use Internet Explorer 5.5 or higher as soon as possible for all fee payments.

Netscape will continue to work with CM/ECF so long as interaction with Pay.gov for fee payments is not necessary.

Kenneth J. Hirz
Clerk of Court

Date of issuance: July 28, 2005
